Additionally, the chain strap of a Chanel bag should have a consistent weight t

hroughout, and the leather woven through the chain should be flat and smooth.

If the bag doesn't have an authenticity card or serial number, it is highly

likely that it could be a fake.

The material used to make a Chanel bag is of the highest quality.

For many, investing in a Chanel bag is a big decision, and it's important to

ensure that you're getting an authentic product.
