What are the odds on this and what are the odds on that? If you pay attention, y

ou’ll hear sports betting references regularly in everyday conversation and

even more so when watching sports or TV.

But seeing scores and odds and understanding what they mean - and more importan

tly how to profit from them - is where we come in.

Below, we break down where you can find the best scores and odds, how to read sp

orts odds, and all the different sports you can bet on.

A spread requires the favored team to win by a certain amount of points and the

underdog team to win, or just lose by fewer than a set amount of points.
