She quilted the exterior material (to resemble the jackets her equestrian friend) Tj T* BT /F1

d its exterior flap with a simple, rectangular lock (since dubbed the Mademoiselle) Tj T* BT /F1

Each element of the Chanel 2.

55 Flap Bag shares Coco's personal story, uniting its carriers to her in an intimate way.

When Karl Lagerfeld was appointed creative director, he re-released the style as

the Chanel Classic Flap Bag.

In 1984, he replaced the Mademoiselle lock with the 'CC' logo turn lock, branding the Flap Bag and making it more recognizably Chanel.
