Double Down: When the dealer upcard is 5 or 6.

Hit: When the dealer has anything else showing.

Why to double down on soft 13 and soft 14

The reason you double down in this case is the fact that the dealer has a 5 or 6 showing, which are the two worst cards the dealer can have.

The dealer must stand on 17 but must hit with anything lower, so there is a very good chance the dealer would bust.

Why to hit on soft 13 and soft 14

If the dealer doesn't have the 5 or 6 card showing, then the best strategy is to take a hit.

The soft hand ensures that you will not bust so it can't hurt.
