Gambling activity Definition Examples Betting The making or accepting of a bet, which involves either paying or staking of money or money's worth on the outcome of a race, competition, sporting event or other event, the likelihood of anything occurring or not occurring, or whether anything is or is not true.

That said, some games may allow players to exchange their virtual loot box rewards for real-world payouts, such as by allowing players to transfer the virtual items out of the game and exchange them for money or money's worth.

This reflects the government's overall stance that gambling as a whole is not encouraged, but certain forms of gambling are allowed so long as they take place in a controlled and safe environment.

Additionally, no participant should be able to obtain a benefit from the activity other than winning, such as receiving payment for participating in the game.

The table below lists some of the typical examples of what one might consider to be potential gambling activities in Singapore and whether they are legal:

However, there is no minimum age for participating in physical social gambling. Upon conviction, the offender is liable to a maximum fine of \$300,000, imprisonment for up to 6 years or both.

This is the best blackjack app I've found in the AppStore.

I have tried quite a few of them and none of the other apps come close.

Of the others I've tried, they all want you to buy chips, or their shuffle a
