As with many other table games at casinos, betting systems can be applied to reduce the losses you'll make from a game, and hopefully also increase your winnings.

The idea behind this system is that by adjusting the amount you bet in this way, you should be covering yourself for any losses you make.

You should continue to do this until you've lost three times.

At this point, you should stop and wait until your choice starts to win again, before resuming betting.

When using this strategy, it's good to have a target for how much you'd

like to win, so you know when to end your game.

The Paroli strategy is one of the few positive betting systems, where you increase your bet each time you win.

The sequence of bets is 1-2-4, and after the third win you'll go back to 1 and restart.

There really isn't much more to it.
