BetRivers has a lot of slots titles.

The available games feature everything from old school fruit machines to modern 3D slots with expandable reels, through to low-risk games with regular payouts and super volatile slots.

These include blackjack, roulette, baccarat, and several types of table and video poker – all of which we tested out and enjoyed the gameplay of.

The table games come from a mix of providers, and it's nice to see that variety on offer.

You won't find any keno, bingo or sic bo, for instance.

Some of Evolution's unique creations introduce a random element into classic games at BetRivers.

Take Lightning Roulette for example, where a random number on the roulette wheel is chosen every spin to receive a multiplier.

If you're not near the ballpark, you won't be able to place a bet.

Access to the app can be had via both Android and iOS devices.

We like the graphics, the interface, and the color scheme.
