£, Games of Skill

In a landmark judgment in 1996, the Supreme Court of India ruled that horse rac

ing was a game of skill and, thus, considered legal in India.

So what are games of skill?

Say you want to bet on horse racing.

If you are a novice who has no idea about the game, you are less likely to win

your wager as opposed to an experienced punter who knows what he is doing.
The experienced punter may study the conditions of the horse and the form of the

e rider in order to make a calculated choice and wager his money based on skilfu

I deduction.

Card games such as Rummy and Teen Patti are also considered games of skill! Therefore, we hope that sports betting can soon be recognized as a game of skill
