Each sportsbook is given a 5-star rating that is based on the five main factors that we feel are crucial to you having a good experience while betting online: bonuses and promotions, banking and payout speeds, key features, security and trust, and customer service.

This isn't to say that we only look at the above factors when reviewing a sportsbook.

Our reviewers are also sports bettors and they test out each site for a few days before submitting their review.

They sign up, deposit, and grab their welcome bonus.

Then they make bets, testing out features like live betting and cash out.

The detail that goes into our review process ensures that you're getting the most detailed sportsbook reviews possible.

For the purposes of betting in 90 minutes, which includes stoppage time added by the referee, this match goes down as a 1-1 draw.

The betting in 90 minutes rule comes into play when betting on cup games.
