In order to make use of handicap betting wisely, you need to know what it is and how it works. What is a Handicap Bet? Handicap betting is a numerical figure set by the bookmaker to counter any perce ived biases in the abilities of the opposing teams. Through this, handicap betting provides the punter with more balanced odds beca use at the end of the day, anything can happen in sports. This is often more appealing to punters as it creates more intrigue and insight into the result of the game and the bets placed by not allowing the implied pro bability to dictate the bet. Traditional handicap betting when applied to soccer games works as follows: "GO BOKKE!"
