S.

Delaware is the 46th most populated state in the U.

Two of Georgia's northern neighbors Tennessee and North Carolina have al

ready legalized sports betting for their residents, so those Georgians who live

by the border make the quick trip north to place their bets.

Illinois is the 6th most populous state in the U.

The first in-person sportsbook began operating in Indiana in September 2019, an

d the mobile market launched in October.
