£ , Games of Skill

On the other hand, betting on games of skill has started to be legalized and accepted in India.

In a landmark judgment in 1996, the Supreme Court of India ruled that horse racing was a game of skill and, thus, considered legal in India.

So what are games of skill?

We will again help you understand with the use of an example.

If you are a novice who has no idea about the game, you are less likely to win

your wager as opposed to an experienced punter who knows what he is doing.

As of now, sports betting has not been recognized as a game of skill in India.

However, there have been more and more states that have now started contemplating legalizing sports betting as an experienced punter who knows a lot about a particular sport can dramatically increase their chances of winning a wager.
