January is one of the most popular times of year to book a summer holiday. But Britons will need to be cautious when it comes to choosing a holiday based on reviews.

Kim said: "To make sure your holiday is a success and you get the best deal, it's important to know how to look out for a fake review.

Cruise guest shares reason they board ship "last"; [CRUISE]

She added: "If you're using an open platform to read reviews, watch out for over enthusiastic feedback.

Europe's best beach "could be the Maldives";

"Everyone should also be cautious of websites with large numbers of reviews left on the same day as this is likely a way to hide negative feedback," said Kim.

If someone mentions extra special service or includes a detail about their own trip, it's more likely to be genuine.

Tourists could also ask friends and family for their recommendations if they're worried about fake reviews.

The pay is per any adjacent combination starting from the leftmost;

The opal and the ruby are triggered on the 1st and 2nd reels, emerald on 3rd, sapphire on 4th, and diamond on 5th.

Emerald provides a bonus of 5x to 20x the total bet;

Now that you know how to open the luxury feature in both games understand how to navigate around.

The Autoplay button allows you to play Life of Luxury Progressive for real money automatically or stop it.

There is a cashier option which you can use to cash out your money.

Three, four, and five combinations of lobster result in 15, 0.

A panda slot machine game is a slot that is themed around the Chinese panda; these games are often popular with players as the games are usually fun, lighthearted, and entertaining.

Panda slots, as the name suggests, are video slots themed around the panda.

Win potential : While it's true that not all panda-themed video slots pack massive win potential, it's not true of all games and many allow you to win upwards of 1,000X your stake, which is a decent amount for any player.

Some online casinos also allow you to play their games for free, but you may need to create an account and pass an identity check before you're able to start playing. Best Panda Slots

Unfortunately, nothing overly special takes place during the free spins, but this does tend to be where the game's larger wins are found. Big Panda

There are no special modifiers present during the free spins, but it is possible to re-trigger additional spins by landing more scatter symbols.

Panda's Quest is a non-progressive panda-themed video slot that's built around a 5-reel, 3-row format.

However, be careful, as if you're wrong, you'll lose your entire win! Panda's Fortune
