UK Government cracks down on fake reviews

The UK Government has given increased powers to the UK's consumer watchdog to ensure that online spending is protected and fake reviews stamped out. New laws will make it illegal to pay people to leave fake reviews online as the

UK government cracks down to protect consumers' cash when ordering food online or choosing which restaurant to visit.

To assist your marketing strategy, please download our NEW 2023 Media planner which is packed with various opportunities for you to engage with New Food's ever-growing audience.

Strategically position your brand within the New Food network to put yourself in front of leaders in the food and beverage industry.

New Food offers a range of integrated marketing opportunities and a variety of campaign elements - print and digital ads, events, social media and more - that can be customised to meet your business goals.

"No longer will you visit a 5 star-reviewed restaurant only to find a burnt lasagne or get caught in a subscription in which there's no end in sight. Consumers deserve better and the majority of businesses out there doing the right thing deserve protection from rogue traders undermining them."

The new legislation has been welcomed by consumer action groups, which note the timing of the announcement as the cost-of-living creeps ever-skywards.
