BetVictor has won awards for its pricing in the past.

Our review team found comprehensive market coverage and value pricing when trying out 888's football betting product.

bet365 is a name synonymous with online betting and football betting in particular.

If we have one negative to point out, it's that we didn't find any football matches included as part of William Hill's live streaming coverage - and it seems the site has recently done away with football streams completely.

While BetNow is a relatively new Kansas online gambling site, it has managed to establish a loyal fanbase.

Is sports betting legal in Kansas? The answer, once again, is that it's not, and this is the case both online and offline.

These are all based abroad and there's therefore nothing state officials can do to prevent them offering betting to Jayhawkers.
