How to get free books on your Kindle

Here are all the ways you can find free books on your Kindle, and start reading.

image1 free

On the Amazon website, you can navigate to the Free Kindle eBooks section to find free books. You'll find books organized into categories that you can brows

e through at your leisure.

Many of these books are classics in the public domain, and feature similar cover art. They'll have a button that says "Buy for Free" on their indi

vidual payment pages.

This list will include free books and those that fall under the Prime and Unlimited subscriptions as well.
