Balls Ping pong balls labeled with the numbers from one to eighty.

Drawn at random to determine the winners of any given Keno round.

Bet The total amount of money wagered by a player in a single round of Keno, on a single ticket.

Closed The time right before Keno balls are drawn.

Achieved when one of your spots matches a number in the round's draw.

Keno has a house edge of approximately 30%, which makes it higher than average.

This makes it significantly easier for players to quickly check for winning tic

kets.

One of the best ways to shake your game up, because a Keno tournament has a tot ally different feel and pace than a traditional Keno session.
