The reels are hovering over a background that evokes a young kid\& \#39;s bedroom,
filled with toys all over.
The game contains five reels of three symbols each, and just five paylines in to tal.
The first symbols are colourful card icons, the J ack, Queen, K ing and Ace.
Each pig awards a certain amount of luck that you can use to extend the duratio
n of the B onus round.
With every smash, you also get a chance to win up to 25 times your bet.
Piggy B ank relies on its cartoonish and goofy universe to attract players and ye
t delivers a gameplay with true winning possibilities.
Generous bonuses and no less than three progressives jackpots, only a few games
can beat those arguments.
