These betting activity statistics are also referred to as betting trends.

SportsInsights.

com is NOT A CONSENSUS site.

We've been tracking sports betting percentages (betting trends) data since 1999

We monitor betting activity at multiple contributing sportsbooks

We track Spread, Moneyline, Totals, and Parlays

com members have the ability to separate the sports betting percentages from each individual contributing sportsbook.

That will allow customers to view the breakdown from our seven contributing sportsbooks, a line graph, value rating, key injuries, system plays, officials and weather.

Additionally, the Suns have also completed a trade with the Orlando Magic, obtaining three future second-round picks in return for a future first-round pick swap.

(7/18) As of the upcoming game between the Connecticut Sun and Phoenix Mercury on Tuesday, July 18th, Phoenix Mercury's Diana Taurasi has accumulated 9,914 career points.

are gearing up for their upcoming home game against the Connecticut Sun, scheduled to take place on Tuesday, July 18th, at the Footprint Center.

Cross into New Mexico? No dice.
