The team in the Underdog role is getting points, which is represented by the plus (+) symbol that you wouldn't see on the board but would be represented next team onto your betting ticket or slip.

The amount of points a team is favored by is set by oddsmakers on Sunday afternoons and that figure fluctuates throughout the week based on the amount of money coming in on bets.

Opposite from the spread you'll find the Total, which represents what oddsmakers believe will be the combined number of points scored between the teams.

There's also a big rush on betting action just before the kickoff of any game, which means you may be best off waiting until kickoff approaches to get the right number.

Team A opened as an 11.

Opening Lines in college football are typically set on Sunday afternoons in the current week and you usually see immediate action cause line movement.

The Total is also available on the VI Consensus line and similarly consists of the

current betting line which most frequently among our list of Las Vegas and Global sportsbooks.

Covers BetSmart Rating

For over 25 years, Covers.

com has been providing our readers with in-depth sportsbook ratings.

In the process, we've developed the Covers BetSmart Rating to ensure that every visitor from South Korea has confidence that they are wagering at a safe and trusted betting site.

The five core factors that go into a bookmaker's overall rating are bonuses and promotions, banking and payout speeds, key features, security and trust, and customer support.

The Covers review team also considers many other factors when evaluating each book.

It's important to us that you get the most up-to-date and informative reviews so that you can select the sportsbook that best suits your needs.

We learn about the best ways to collect bonuses, withdraw winnings, and get any necessary help from the support team.
