Premier League Betting Tips at OLBG Explained

Alongside the match details, you can see specific Premier League betting tips from our knowledgeable Premier League tipsters.

The selection odds are shown with the overall confidence rating for each EPL tip.

A higher confidence rating than the odds for the relevant Premier League tips is a good indication of a possible value bet.

The Value Rating is 1 to 5 stars with 5 being the best.

Our Premier League tipsters cover predictions on a wide selection of markets including 1X2, over/under goals (Total Goals), both teams to score (BTTS), First Goalscorer, Correct Score and many more.

You will also see the Best Tipster's Tip which is the selection on this match from the Premier League tipster with the best profit for football tips covering the last 12 months.

Analyse their profit performance over the last seven days, thirty days and annual profit for football tips plus their consistency for regularly tipping winners

While there are restrictions on betting on local teams in some states, that surely will not damper the growth of college football betting as a whole.

NCAAF Team News & Odds

They're notoriously hard to predict, but if you manage to win, you're likely to win big.

NCAAF Public Betting

Be sure to check our pages regularly for updates in your area if you live in a location where online sports betting is not yet legal.

Best NFL Sportsbooks

Finding the right sportsbook can be challenging.

From beginner information to more complex strategy options, we can guide you through your sports betting journey.

What Do the + and - Mean in Sports Betting?

If the number is positive, you're looking at the underdog, and the number refers to the amount of money you'll win if you bet \$100. For example:

If you wagered \$100 on the Senators (underdogs), you'd be set to win \$110.

AESARS SPORTSBOOK

"Factoring in the "vig," the implied probability of all possible outcomes of a game will be above 100%.

This time, you do the leg-work.

Calculating Winnings with Decimal Odds

These odds suggest that if this fight happened 21 times (8 + 13), Golovkin would lose 8 bouts and win 13.

Let's See What You've Learned

You may find some of the day's prop bets in Bovada's "Specials" section, which is located apart from the major sports.

Additionally, Bovada is the only place where you may request these markets using their Twitter feed.
